

Illinois Department of
Natural Resources **MEMORANDUM**

To: Director Wayne Rosenthal
From: Rafael Gutierrez, OLE  # 332
Date: July 12, 2017

Subject: Conditions on the Fox River/Chain O'Lakes from the mouth of the Fox River at Pistakee Lake, south to the Montgomery Dam in Lake, McHenry and Kane Counties.

Region 2 Commander Captain Brett Scroggins advises that swift current, floating debris, submerged structures and piers have created condition significantly hazardous to navigation on the Fox River/Chain O'Lakes from the mouth of the Fox River at Pistakee Lake, south to the Montgomery Dam in Lake, McHenry and Kane Counties. The conditions are also treacherous for emergency service personnel called upon to rescue persons involved in boating mishaps. Lake County Marine Unit Sergeant Phil Zinkowich, McHenry County Marine Unit Commander Dave Carter and Kane County EMA Don Bryant concur with the assessment.

The Illinois Department of Natural Resources has authorization to designate Restricted Boating Areas when navigation is significantly dangerous.

Section 2030.80 Hazardous Navigation Conditions - Designated Restricted Boating Areas

In the event that the Department of Natural Resources determines the presence of conditions that make navigation of a body of water significantly dangerous to the public, the Director of the Department of Natural Resources may, in coordination with the federal government, designate Restricted Boating Areas on any affected body of water within the jurisdiction of the State of Illinois. This designation shall be made by public announcement in local media and by posting at local public boat launches and marinas, and the restricted area shall be physically marked by buoys, signs, manned watercraft or yellow police tape. This designation will remain in effect until the Director of the Department of Natural Resources determines that navigation is no longer significantly dangerous to the public, but in no case shall the designation remain in effect longer than 90 days. Recision of the Restricted Boating Area designation shall be publicly announced in local media and posted at local public boat launches and marinas and any markings shall be removed.
