2.0 Presentation by the Lower Fox River Alliance Group

The Board of Directors and members of the public listened to a presentation by the Lower Fox River Alliance Group. The group of business owners and boaters are objecting to no-wake restrictions being placed on the lower Fox River. Their position is that adding more no-wake zones would lead to less powerboating and more problems for those who live and work in the area. Public comments were received.

The meeting adjourned at 7 p.m.
