DATE: 04/04/2024
TO: Director Finnie
FROM: Cpt. Joshua Mooi #509
SUBJECT: Designation of Restricted Boating Area – Lower Fox River

Northeast Zone Commander Joshua Mooi #509, District 2 Sergeant Todd Semenik, and District 3 Sergeant Dave Wollgast advises that high water levels, swift current, floating debris, submerged structures, and piers have created conditions significantly hazardous to navigation on the Fox River from the mouth of the Fox River at Pistakee Lake, south to the Bridge Street Bridge (Millington) in Lake, McHenry, Kane, and Kendall Counties. The conditions are also treacherous for emergency service personnel called upon to rescue persons involved in boating mishaps. Lake County Marine Unit Sergeant Ari Briskman, McHenry County Marine Unit Sergeant Alan Sabol, Kane County Sheriff Ron Hain, and Kendall County Sheriff Dwight Baird concur with the assessment.

The Illinois Department of Natural Resources has authorization to designate Restricted Boating Areas when navigation is significantly dangerous.

Section 2030.80 Hazardous Navigation Conditions - Designated Restricted Boating Areas

In the event that the Department of Natural Resources determines the presence of conditions that make navigation of a body of water significantly dangerous to the public, the Director of the Department of Natural Resources may, in coordination with the federal government, designate Restricted Boating Areas on any affected body of water within the jurisdiction of the State of Illinois. This designation shall be made by public announcement in local media and by posting at local public boat launches and marinas, and the restricted area shall be physically marked by buoys, signs, manned watercraft or yellow police tape. This designation will remain in effect until the Director of the Department of Natural Resources determines that navigation is no longer significantly dangerous to the public, but in no case shall the designation remain in effect longer than 90 days. Recission of the Restricted Boating Area designation shall be publicly announced in local media and posted at local public boat launches and marinas and any markings shall be removed.

I recommend a Restricted Boating Area (no recreational boating) be implemented on the Fox River from the mouth of the Fox River at Pistakee Lake, south to the Bridge Street Bridge (Millington) effective at 6:00 pm on 04/04/2024. If you approve, please sign below and the Office of Law Enforcement will coordinate the implementation of the Restricted Boating Area designation with the United States Coast Guard and local authorities.
