Date: Wednesday March 13th, 2024

Time: Two Session Times Are Available... 2:00PM or 7:00PM

# AGENDA

The Chain O' Lakes is vital to our community, whether you enjoy the waterway personally or benefit from the business it brings to the area. To sustain that impact preserving and improving water quality is essential; but how do we do that? To answer that question the FWA obtained a grant from the IEPA to develop a watershed plan. That plan is identifying projects and activities that can positively change our water quality and sets the stage for obtaining grant funds for projects. The plan is completed, and the key finds will be shared through these meetings. Come out and find out how you can get involved in preserving and improving the Chain O' Lakes.

<b>Welcome</b>	<b>Joseph S. Keller</b> Executive Director FWA
<b>Watershed Goals</b>	<b>Rob Bryson</b> FWA Advisory Member
<b>Presentation of Final Watershed Plan</b>	<b>Jeff Boeckler</b> Northwater Consulting
<b>Close</b> <ul style="list-style-type: none"> <li>Volunteers to help research or organize other volunteers for implementation</li> </ul>	<b>Patricia Smarto</b> Chairwoman, FWA Advisory

**“Funding for this project provided, in part, by the Illinois Environmental Protection Agency through Section 319 of the Clean Water Act.”**
